Dear Brian

LETTER OF ENDORSEMENT FOR "THE PLAY"

I am pleased to offer my endorsement for *The Play*, a thought-provoking musical that you have developed.

The Play presents a unique opportunity to engage young minds in meaningful discussions about the complex challenges and critical issues our society faces today, providing a platform to foster student empathy, critical thinking and social awareness.

Your vision to incorporate this musical into the curriculum of schools across Western Australia is commendable and one to which we wish you every success.

I look forward to future discussions regarding your plans for the first production of *The Play* in 2026.

Yours sincerely
